Hand studies 10

Film by Benoît Labourdette (1’39s, 2010).

6 August 2010, by Leny Müh.

Invisible war.

In a world made of mistrust, a society at several speeds, where the different “socio-cultural classes” mingle without wanting to take a look: there are beggars, who see everyone at the same level, who know, them, that there is a kind of civil war that is everywhere, especially in places of passage and trade.
