

## Walk in the forest

Excerpts (1'24s) from a film by Benoît Labourdette (59', 2020).

18 December 2020, by [Benoît Labourdette](#).

*Relaxation film for hospitalized people. A gentle walk in the forest of Fontainebleau, shot with a drone, illustrated by a delicate musical atmosphere.*

A commission [d'Art dans la cité](#), as part of the interactive and immersive device for the hospital room [Illuminart](#).
